Ladies and Gentlemen:

Your Committee on Finance of the Board of Commissioners Bienvenu, Assistant Special Legal Counsel to the President, respectfully submitting a Substitute Proposed Ordinance Amendment providing for comprehensive changes to the Cook County Procurement Code and Minority/Women

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Business Enterprise Ordinance, for your approval.

Dear Commissioners:

Attached hereto, please find a proposed amendment to Item No. 318664, initially introduced June 19, 2012. The changes generally facilitate M/WBE certification reciprocity, define the CPO's authority with respect to contract amendments, and clarify invoicing requirements. The changes are described in greater detail as follows:

1. The CPO's authority to approve and execute amendments to contracts is more clearly limited to the \$150,000 authority included in Section 34-123;
2. The definition of "County Marketplace" is modified to include the counties of Cook, DuPage, Kane, Lake, McHenry and Will;
3. The initial fee for M/WBE certification is increased to \$250, and the fee for filing a "no change" affidavit is eliminated;
4. The construction M/WBE ordinance includes language from the Interim Construction M/WBE ordinance passed in June of 2011 so that it is more clearly severable from the non-construction portion of the ordinance;
5. The Chief Procurement Officer is granted the ability to use prequalification as one of her innovative procurement methods; and
6. The invoice requirements in Section 310 are modified to address Professional Services and Consulting contracts.

Please call me with any questions. Thank you in advance for your assistance.

Very truly yours,
Kesner Bienvenu
Assistant Special Legal Counsel

(b) Only a firm owned by a Socially and Economically Disadvantaged person(s) may be certified as an MBE or WBE.

(1) The firm's ownership by a Socially and Economically Disadvantaged person must be real, substantial, and continuing, going beyond pro forma ownership of the firm as reflected in ownership documents. The owner(s) must enjoy the customary incidents of ownership and share in the risks and profits commensurate with that ownership interest.

(2) The contributions of capital or Expertise by the Socially and Economically Disadvantaged owner(s) to acquire the ownership interest must be real and substantial. If Expertise is relied upon as part of a Socially and Economically Disadvantaged owner's contribution to acquire ownership, the Expertise must be of the requisite quality generally recognized in a specialized field, in areas critical to the firm's operations, indispensable to the firm's potential success, specific to the type of work the firm performs and documented in the firm's records. The individual whose Expertise is relied upon must have a commensurate financial investment in the firm.

(c) Only a firm that is managed and controlled by a Socially and Economically Disadvantaged person(s) may be certified as a MBE or WBE.

(1) A firm must not be subject to any formal or informal restrictions that limit the customary discretion of the Socially and Economically Disadvantaged owner(s). There can be no restrictions through corporate charter provisions, by-law provisions, contracts or any other formal or informal devices that prevent the Socially and Economically Disadvantaged owner(s), without the cooperation or vote of any non-Socially and Economically Disadvantaged person, from making any business decision of the firm, including the making of obligations or the disbursing of funds.

(2) The Socially and Economically Disadvantaged owner(s) must possess the power to direct or cause the direction of the management and policies of the firm and to make day-to-day as well as long-term decisions on management, policy, operations and work.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Economically Disadvantaged. Such delegations of authority must be revocable, and the Socially and Economically Disadvantaged owner(s) must retain the power to hire and fire any such person. The Socially and Economically Disadvantaged owner(s) must actually exercise control over the firm's operations, work, management and policy.

(4) The Socially and Economically Disadvantaged owner(s) must have an overall understanding of, and managerial and technical competence, experience and Expertise, directly related to the firm's operations and work. The Socially and Economically Disadvantaged owner(s) must have the ability to intelligently and critically evaluate information presented by other participants in the firm's activities and to make independent decisions concerning the firm's daily operations, work, management, and policymaking.

(5) If federal, state and/or local laws, regulations or statutes require the owner(s) to have a particular license or other credential to own and/or control a certain type of firm, then the Socially and Economically Disadvantaged owner(s) must possess the required license or credential. If state law, County ordinance or other law regulations or statute does not require that the owner posses the license or credential, that the owner(s) lacks such license or credential is a factor, but is not dispositive, in determining whether the Socially and Economically Disadvantaged owner(s) actually controls the firm.

(6) A Socially and Economically Disadvantaged owner cannot engage in outside employment or other business interests that conflict with the management of the firm or prevent the owner from devoting sufficient time and attention to the affairs of the firm to manage and control its day to day activities.

(d) Only an independent firm may be certified as a MBE or WBE. An independent firm is one whose viability does not depend on its relationship with another firm. Recognition of an applicant as a separate entity for tax or corporate purposes is not necessarily sufficient to demonstrate that a firm is independent and non-Affiliated. In determining whether an applicant is an independent Business, the CC Director will:

(1) Scrutinize relationships with non-Certified Firms in such areas as personnel, facilities, equipment, financial and/or bonding support, and other resources.

(2) Consider whether present or recent employer/employee relationships between the Socially and Economically Disadvantaged owner(s) of the applicant and non-Certified Firms or persons associated with non-Certified Firms compromise the applicant's independence.

(3) Examine the applicant's relationships with non-Certified Firms to determine whether a pattern of exclusive or primary dealings with non-Certified Firm compromises the applicant's independence.

(4) Consider the consistency of relationships between the applicant and non-Certified Firms with normal industry practice.

(e) An applicant shall be certified only for specific types of work in which the Socially and Economically Disadvantaged owner(s) has the ability and Expertise to manage and control the firm's operations and work.

(f) The County shall certify the eligibility of Joint Ventures involving MBEs or WBEs and non-Certified Firms, provided that the Joint Venture meets the criteria for certification as an MBE or WBE.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

To be considered an eligible Joint Venture, at least one partner of the Joint Venture must be a Certified Firm, with a share in the capital contribution, control, management, risks, and profits of the Joint Venture which is equal to its ownership interest. Each Certified Firm partner must contribute property, capital, efforts, skill and knowledge and be responsible for a distinct, clearly defined portion of the work of the contract. Joint Ventures must have an agreement in writing specifying the terms and conditions of the relationships between the partners and their relationship and responsibility to the contract.

(g) In lieu of conducting its own certifications, the CC Director by rule may accept formal certifications by other entities as meeting the requirements of the Program, if the CC Director determines that the certification standards of such entities are comparable to those of the County.

(h) The certification status of all MBEs and WBEs shall be reviewed periodically by the Office of Contract Compliance. Failure of the firm to seek recertification by filing the necessary documentation with the CC Director as provided by rule may result in decertification.

(i) It is the responsibility of the Certified Firm to notify the CC Director of any change in its circumstances affecting its continued eligibility for the Program, including decertification by another agency. Failure to do so may result in the firm's decertification.

(j) The CC Director shall decertify a firm that does not continuously meet the eligibility criteria.

(k) Decertification by another agency shall create a prima facie case for decertification by the County. The challenged firm shall have the burden of proving that its County certification should be maintained.

(l) A firm that has been denied certification or recertification or has been decertified may protest the denial or decertification as provided by rule.

(m) A firm found to be ineligible may not apply for certification for six (6) months after the effective date of the final decision.

(n) A third party may challenge the eligibility of an applicant for certification or a Certified Firm as provided by rule. Such challenges shall be signed and sworn by the individual challenging the eligibility of an applicant for certification or a certified firm. The burden of proof shall rest with the complainant. Such challenges to eligibility shall be subject to an appeal. The CC Director shall be the final arbiter of all challenges. The presumption that the challenged firm is eligible shall remain in effect until the CC Director renders a final decision.

Sec. 34-294. Annual aspirational goals.

The Annual Aspirational Goals for the utilization of MBEs and WBEs on County Public Works contracts and subcontracts shall be twenty-four (24%) percent for MBEs and ten (10%) percent for WBEs.

Sec. 34-295. Project specific goals.

The CC Director, in consultation with the User Department, shall establish Project Specific Goals for construction Contracts based upon the availability of at least three MBEs and three WBEs to perform the anticipated subcontracting functions of the project and the County's utilization of MBEs and WBEs to date.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Sec. 34-296. Counting MBE and WBE participation.

(a) The entire amount of that portion of a contract that is performed by the MBEs or WBEs own forces shall be counted, including the cost of supplies and materials obtained by the MBE or WBE for the work on the contract, and supplies purchased or equipment leased by the MBE or WBE (except supplies and equipment the MBE or WBE purchases or leases from the prime Contractor or the prime Contractor's Affiliate).

(b) The entire amount of fees or commissions charged by a MBE or WBE for providing a bona fide service, such as professional, technical, consultant or managerial services, or for providing bonds or insurance specifically required for the performance of a contract, shall be counted, provided the fee is reasonable and not excessive as compared with fees customarily charged for similar services.

(c) When a MBE or WBE performs as a participant in a Joint Venture, only the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the Joint Venture's contract that is performed by the MBE or WBE with its own forces and for which it is separately at risk, shall be counted.

(d) Only expenditures to a MBE or WBE that is performing a Commercially Useful Function shall be counted. To determine whether a MBE or WBE is performing a Commercially Useful Function, the County will evaluate the amount of work subcontracted, industry practices, whether the amount the MBE or WBE is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors. To perform a Commercially Useful Function, the MBE or WBE must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, installing (where applicable) and paying for the material itself. A MBE or WBE does not perform a Commercially Useful Function if its role is limited to that of an extra participant in the contract through which funds are passed in order to obtain the appearance of MBE or WBE participation. If a MBE or WBE subcontracts a greater portion of the work of a contract than would be expected based on normal industry practice, it is presumed not to perform a Commercially Useful Function. When a MBE or WBE is presumed not to be performing a Commercially Useful Function, the Certified Firm may present evidence to rebut this presumption.

(e) One hundred percent of the cost of the materials or supplies obtained from a MBE or WBE Manufacturer or Regular Dealer shall be counted. One hundred percent of the fees or transportation charges for the delivery of materials or supplies required on a job site shall be counted only if the payment of such fees is a customary industry practice and are commensurate with fees customarily charged for similar services.

(f) If a firm ceases to be a Certified Firm for any other reason than graduation from the M/WBE Construction Program during its performance on a contract, the dollar value of work performed under a contract with that firm after it has ceased to be certified shall not be counted.

(g) In determining achievement of Project Specific Goals, the participation of a MBE or WBE shall not be counted until that amount has been paid to the MBE or WBE.

Sec. 34-297. Contract pre-award compliance procedures.

(a) For all solicitations, the bidder/proposer shall submit a Utilization Plan detailing all subcontractors from which the Contractor solicited bids or quotations, and if Project Specific Goals have been established, its achievement of the Goals or its Good Faith Efforts to do so. The Utilization Plan shall be due at the time the bid / proposal is due.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

(b) Any agreement between a Contractor and a MBE or WBE in which the Contractor requires that the MBE or WBE not provide subcontracting quotations to other Contractors is prohibited.

(c) Where the Contractor cannot achieve the Project Specific Goal(s), the CC Director will determine whether the Contractor has made Good Faith Efforts to meet the Goal(s). In making this determination, the Director will consider, at a minimum, the Contractor's efforts to:

- (1) Solicit through all reasonable and available means (e.g., attendance at pre-bid meetings, advertising and written notices) the interest of all MBEs and WBEs certified in the scopes of work of the contract. The Contractor shall provide interested MBEs and WBEs with timely, adequate information about the plans, specifications, and requirements of the contract to allow MBEs and WBEs to respond to the solicitation. The Contractor must follow up initial solicitations with interested MBEs and WBEs.
- (2) Select portions of the work to be performed by MBEs and WBEs in order to increase the likelihood that the Project Specific Goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE and WBE participation, even when the Contractor would otherwise prefer to perform these work items with its own forces. It is the Contractor's responsibility to make a portion of the work available to MBEs and WBEs and to select those portions of the work or material needs consistent with the availability MBEs and WBEs to facilitate their participation.
- (3) Negotiate in good faith with interested MBEs and WBEs. Evidence of such negotiation includes the names, addresses, and telephone numbers of MBEs and WBEs that were contacted; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and why agreements could not be reached with MBEs and WBEs. The Contractor may not reject MBEs and WBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. That there may be some additional costs involved in finding and using MBEs and WBEs is not in itself sufficient reason for a Contractor's failure to meet the Project Specific Goals, as long as such costs are reasonable. The ability or desire of a Contractor to perform the work of a contract with its own organization does not relieve it of the responsibility to make Good Faith Efforts on all scopes of work that could be subcontracted.
- (4) Make efforts to assist interested MBEs and WBEs in obtaining bonding, lines of credit, or insurance as required by the County or the prime Contractor, where appropriate.
- (5) Make efforts to assist interested MBEs and WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, where appropriate.
- (6) Use the services of the Office of Contract Compliance, available minority/women community organizations, minority/women contractors' groups, government sponsored minority/women business assistance offices and other appropriate organizations to provide assistance in the recruitment and placement of MBEs and WBEs.

(ed) In determining whether a Contractor has made Good Faith Efforts, the performance of other Contractors in meeting the Project Specific Goals may be considered. For example, when the apparent successful Contractor fails to meet the Project Specific Goals but others meet it, it may be reasonably questioned whether, with additional reasonable efforts, the apparent successful Contractor could have met the Project Specific Goals. Similarly, if the apparent successful Contractor fails to meet the Project

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Specific Goals, but meets or exceeds the average MBE or WBE participation obtained by other Contractors, this may be evidence that the apparent successful Contractor made Good Faith Efforts.

(fe) A signed letter of intent from each listed MBE or WBE, describing the work, materials, equipment or services to be performed or provided by the MBE or WBE and the agreed upon dollar value shall be due at the time of bid proposal or within three days after such submission.

(ef) The CC Director shall timely review the Utilization Plan before award, including the scope of work and the letters of intent from MBEs and WBEs. The CC Director may request clarification in writing of items listed in the Utilization Plan, provided such clarification shall not include the opportunity to augment listed participation or Good Faith Efforts.

(eg) If the CC Director determines that the Utilization Plan demonstrates that the Project Specific Goals have been achieved or Good Faith Efforts made, with the concurrence of the User Department, the CC Director and User Department shall recommend award to Procurement Officer ~~Department~~.

(eh) If the CC Director finds that a Contractor did not make sufficient Good Faith Efforts, the CC Director shall communicate this finding to the ~~User~~ Purchasing Department and recommend that the bid/proposal be rejected. A Contractor may protest this determination pursuant to the County's bid protest procedures.

Sec. 34-298. Contract administration procedures.

(a) Upon award of a contract by the County that includes Project Specific Goals, the Project Specific Goals become covenants of performance by the Contractors and incorporated in the contract.

(b) The Contractor shall provide a listing of all subcontractors to be used in the performance of the contract, and detailed subcontractor information to the County with each request for payment submitted to the County or as otherwise directed by the County. The CC Director and the User Department shall monitor subcontractor participation during the course of the contract. The County shall have full and timely access to the Contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the Contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the Contractor's records by any officer or official of the County for any purpose.

(c) The Contractor cannot make changes to the Utilization Plan or substitute MBEs or WBEs named in the Utilization Plan without the prior written approval of the CC Director, Procurement Officer and the User Department. Unauthorized changes or substitutions shall be a violation of this subdivision and a breach of contract, and may constitute grounds for rejection of the bid or proposal or cause termination of the executed contract for breach, the withholding of payment and/or subject the Contractor to contract penalties or other sanctions.

(1) All requests for changes or substitutions of a MBE or WBE Subcontractor(s) named in the Utilization Plan shall be made to the CC Director, Procurement Officer and the User Department in writing, and shall clearly and fully set forth the basis for the request. A Contractor shall not substitute a MBE or WBE subcontractor or perform the work designated for a MBE or WBE subcontractor with its own forces unless and until the CC Director, Procurement Officer in consultation with the User Department, approves such substitution in writing. A Contractor shall not allow a substituted subcontractor to begin work until ~~both~~ the Director, Procurement Officer and the User Department have approved the substitution.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

- (2) The facts supporting the request must not have been known nor reasonably should have been known by either party before the submission of the Utilization Plan. Bid shopping is prohibited. The Contractor must negotiate with the MBE or WBE subcontractor to resolve the problem. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.
- (3) Substitutions of the subcontractor shall be permitted only on the following bases:
- (i) Unavailability after receipt of reasonable notice to proceed.
 - (ii) Failure of performance.
 - (iii) Financial incapacity.
 - (iv) Refusal by the subcontractor to honor the bid or proposal price.
 - (v) Mistake of fact or law about the elements of the scope of work of a solicitation where agreement upon a reasonable price cannot be reached.
 - (vi) Failure of the subcontractor to meet insurance, licensing or bonding requirements; or
 - (vii) The subcontractor's withdrawal of its bid or proposal.
- (4) The final decision whether to permit or deny the proposed substitution, and the basis of any denial, shall be communicated to the parties in writing by the CC Director.
- (5) Where the Contractor has established the basis for the substitution to the satisfaction of the County, the Contractor shall make Good Faith Efforts to fulfill the Utilization Plan. The Contractor may seek the assistance of the Office of Contract Compliance in obtaining a new MBE or WBE. If the Project Specific Goal(s) cannot be reached and Good Faith Efforts have been made, the Contractor may substitute with a non-Certified Firm.
- (6) If the County requires the substitution of a MBE or WBE subcontractor listed in the Utilization Plan, the Contractor shall undertake Good Faith Efforts to fulfill the Utilization Plan. The Contractor may seek the assistance of the Office of Contract Compliance in obtaining a new MBE or WBE subcontractor. If the Goal(s) cannot be reached and Good Faith Efforts have been made, the Contractor may substitute with a non-Certified Firm.
- (d) If a Contractor plans to hire a subcontractor on any scope of work that was not previously disclosed in the Utilization Plan, the Contractor shall obtain the approval of the CC Director to modify the Utilization Plan and must make Good Faith Efforts to ensure that MBES and WBEs have a fair opportunity to bid on the new scope of work.
- (e) Changes to the scopes of work shall be documented by the User Department at the time they arise to establish the reasons for the change and the effect on achievement of the MBE or WBE goal.
- (f) Prior to contract closeout, the CC Director shall evaluate the Contractor's fulfillment of the contracted goals, taking into account all approved substitutions, terminations and changes to the contract's scope of work. If the County determines that Good Faith Efforts to meet the MBE or WBE commitments

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

were not made, or that fraudulent misrepresentations have been made, or any other breach of the contract or violation of this subdivision, a remedy or sanction may be imposed, as provided in the contract.

Sec. 34-299. Sanctions and penalties.

(a) The following violations of this subdivision may result in a breach of contract:

(1) Providing false or misleading information to the County in connection with submission of a bid, responses to requests for qualifications or proposals, Good Faith Efforts documentation, post award compliance, or other Program operations.

(2) Committing any other violations of this subdivision.

(b) A Contractor or subcontractor is subject to withholding of payments under the contract, termination of the contract for breach, contract penalties, or being barred or deemed non-responsive in future County solicitations and contracts as determined by the County's Procurement Officer, if it is found to have:

(1) Provided false or misleading information in connection with an application for certification or recertification or colluded with others to do so;

(2) Provided false or misleading information in connection with the submission of a bid or proposal or documentation of Good Faith Efforts, post-award compliance, or other Program operations or colluded with others to do so;

(c) Within five years after the effective date of this ordinance, the County will review the operation of the Program and the evidentiary basis for the Program in order to determine whether it the County has a continuing compelling interest in remedying discrimination against MBEs and WBEs in its construction marketplace, and the permissible scope of any narrowly tailored remedies to redress discrimination against MBEs or WBEs so that the County will not function as a passive participant in a discriminatory marketplace.

(d) This subdivision shall sunset on or before June 30, 2016.

entitled “The Status of Minority and Women-Owned Business Enterprises Relevant to Construction Activity In and Around Cook County, Illinois”(the “NERA Study”) on the levels of PCE participation in Public Works Contracts, ~~has reviewed the report prepared indicating evidence of discrimination in Public Works Contracts~~ and has considered the evidence in relevant case law; and

(g) The County has a compelling interest in preventing discrimination and desires to reaffirm its commitment to full and fair opportunities for all firms to participate in its construction contracts.

Sec. 34-287. Policy.

~~Based on the findings set forth in subdivision I, Sec. 34-261 and the findings set forth in subdivision II, Sec. 34-286, and in addition to the policy set forth at Sec. 34-262, the policy and purpose of this subdivision is to establish and implement goals for participation of PCEs in Public Works Contracts, in accordance with all applicable laws. It is hereby found, determined and declared that the purpose of this Ordinance is to ensure the full and equitable participation of Minority- and Women-Owned Business Enterprises in the County's procurement process as both prime and subcontractors in the County's Public Works contracts. The County is committed to a policy of preventing discrimination in the award of or participation in Public Works contracts and has recommended appropriate narrowly tailored remedies to eliminate any such discrimination.~~

Sec. 34-288. Program goals. Applicability.

~~The Program Goal applicable to Public Works Contracts shall be a goal of twenty four percent (24%) of the annual total dollar amount of Public Works Contracts to MBEs and a goal of not less than ten percent (10%) of the annual total dollar amount of Public Works Contracts to WBEs. In establishing a Contract Specific Goal for Public Works Contracts, the CCD shall consider the availability of sufficient Certified MBEs and WBEs for each trade required as part of the project. This subdivision shall apply to all Public Works contracts, regardless of the sources of other funds; provided that any Public Works contract with respect to which a goal for Minority-Owned Business Enterprise or Women-Owned Business Enterprise participation is inconsistent with or prohibited by State or Federal law shall be exempt from the goals included in this subdivision.~~

Sec. 34-289. ~~Commercially Useful Function.~~ Severability.

~~To determine whether a PCE is performing a Commercially Useful Function, the County will evaluate whether the portion of the work subcontracted to or by a PCE is in accordance with industry standards. For example, if a PCE subcontracts a greater portion of the work of a Contract than would be expected based on normal industry practice, it is presumed not to perform a Commercially Useful Function. In addition, to perform a Commercially Useful Function, the PCE must be responsible, with respect to materials, equipment and supplies used in performing its portion of the Contract, for negotiating price, determining whether quality meets specifications, ordering the material, installing (where applicable) and paying for the material itself. If any section, subsection, clause or provision of this subdivision is held to be invalid by a court of competent jurisdiction, the remainder of the subdivision shall not be affected by such invalidity.~~

Sec. 34-293. Program eligibility.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

(a) Only Businesses that meet the criteria for certification as an MBE or WBE may participate in the Program. The applicant has the burden of persuasion by a preponderance of the evidence.

(b) Only a firm owned by a Socially and Economically Disadvantaged person(s) may be certified as an MBE or WBE.

(1) The firm's ownership by a Socially and Economically Disadvantaged person must be real, substantial, and continuing, going beyond pro forma ownership of the firm as reflected in ownership documents. The owner(s) must enjoy the customary incidents of ownership and share in the risks and profits commensurate with that ownership interest.

(2) The contributions of capital or Expertise by the Socially and Economically Disadvantaged owner(s) to acquire the ownership interest must be real and substantial. If Expertise is relied upon as part of a Socially and Economically Disadvantaged owner's contribution to acquire ownership, the Expertise must be of the requisite quality generally recognized in a specialized field, in areas critical to the firm's operations, indispensable to the firm's potential success, specific to the type of work the firm performs and documented in the firm's records. The individual whose Expertise is relied upon must have a commensurate financial investment in the firm.

(c) Only a firm that is managed and controlled by a Socially and Economically Disadvantaged person(s) may be certified as a MBE or WBE.

(1) A firm must not be subject to any formal or informal restrictions that limit the customary discretion of the Socially and Economically Disadvantaged owner(s). There can be no restrictions through corporate charter provisions, by-law provisions, contracts or any other formal or informal devices that prevent the Socially and Economically Disadvantaged owner(s), without the cooperation or vote of any non-Socially and Economically Disadvantaged person, from making any business decision of the firm, including the making of obligations or the disbursing of funds.

(2) The Socially and Economically Disadvantaged owner(s) must possess the power to direct or cause the direction of the management and policies of the firm and to make day-to-day as well as long-term decisions on management, policy, operations and work.

(3) The Socially and Economically Disadvantaged owner(s) may delegate various areas of the management or daily operations of the firm to persons who are not Socially and Economically Disadvantaged. Such delegations of authority must be revocable, and the Socially and Economically Disadvantaged owner(s) must retain the power to hire and fire any such person. The Socially and Economically Disadvantaged owner(s) must actually exercise control over the firm's operations, work, management and policy.

(4) The Socially and Economically Disadvantaged owner(s) must have an overall understanding of, and managerial and technical competence, experience and Expertise, directly related to the firm's operations and work. The Socially and Economically Disadvantaged owner(s) must have the ability to intelligently and critically evaluate information presented by other participants in the firm's activities and to make independent decisions concerning the firm's daily operations, work, management, and policymaking.

(5) If federal, state and/or local laws, regulations or statutes require the owner(s) to have a particular license or other credential to own and/or control a certain type of firm, then the Socially and

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Economically Disadvantaged owner(s) must possess the required license or credential. If state law, County ordinance or other law regulations or statute does not require that the owner possess the license or credential, that the owner(s) lacks such license or credential is a factor, but is not dispositive, in determining whether the Socially and Economically Disadvantaged owner(s) actually controls the firm.

(6) A Socially and Economically Disadvantaged owner cannot engage in outside employment or other business interests that conflict with the management of the firm or prevent the owner from devoting sufficient time and attention to the affairs of the firm to manage and control its day to day activities.

(d) Only an independent firm may be certified as a MBE or WBE. An independent firm is one whose viability does not depend on its relationship with another firm. Recognition of an applicant as a separate entity for tax or corporate purposes is not necessarily sufficient to demonstrate that a firm is independent and non-Affiliated. In determining whether an applicant is an independent Business, the CC Director will:

(1) Scrutinize relationships with non-Certified Firms in such areas as personnel, facilities, equipment, financial and/or bonding support, and other resources.

(2) Consider whether present or recent employer/employee relationships between the Socially and Economically Disadvantaged owner(s) of the applicant and non-Certified Firms or persons associated with non-Certified Firms compromise the applicant's independence.

(3) Examine the applicant's relationships with non-Certified Firms to determine whether a pattern of exclusive or primary dealings with non-Certified Firm compromises the applicant's independence.

(4) Consider the consistency of relationships between the applicant and non-Certified Firms with normal industry practice.

(e) An applicant shall be certified only for specific types of work in which the Socially and Economically Disadvantaged owner(s) has the ability and Expertise to manage and control the firm's operations and work.

(f) The County shall certify the eligibility of Joint Ventures involving MBEs or WBEs and non-Certified Firms, provided that the Joint Venture meets the criteria for certification as an MBE or WBE. To be considered an eligible Joint Venture, at least one partner of the Joint Venture must be a Certified Firm, with a share in the capital contribution, control, management, risks, and profits of the Joint Venture which is equal to its ownership interest. Each Certified Firm partner must contribute property, capital, efforts, skill and knowledge and be responsible for a distinct, clearly defined portion of the work of the contract. Joint Ventures must have an agreement in writing specifying the terms and conditions of the relationships between the partners and their relationship and responsibility to the contract.

(g) In lieu of conducting its own certifications, the CC Director by rule may accept formal certifications by other entities as meeting the requirements of the Program, if the CC Director determines that the certification standards of such entities are comparable to those of the County.

(h) The certification status of all MBEs and WBEs shall be reviewed periodically by the Office of Contract Compliance. Failure of the firm to seek recertification by filing the necessary documentation with the CC Director as provided by rule may result in decertification.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

(i) It is the responsibility of the Certified Firm to notify the CC Director of any change in its circumstances affecting its continued eligibility for the Program, including decertification by another agency. Failure to do so may result in the firm's decertification.

(j) The CC Director shall decertify a firm that does not continuously meet the eligibility criteria.

(k) Decertification by another agency shall create a prima facie case for decertification by the County. The challenged firm shall have the burden of proving that its County certification should be maintained.

(l) A firm that has been denied certification or recertification or has been decertified may protest the denial or decertification as provided by rule.

(m) A firm found to be ineligible may not apply for certification for six (6) months after the effective date of the final decision.

(n) A third party may challenge the eligibility of an applicant for certification or a Certified Firm as provided by rule. Such challenges shall be signed and sworn by the individual challenging the eligibility of an applicant for certification or a certified form. The burden of proof shall rest with the complainant. Such challenges to eligibility shall be subject to an appeal. The CC Director shall be the final arbiter of all challenges. The presumption that the challenged firm is eligible shall remain in effect until the CC Director renders a final decision.

Sec. 34-294. Annual aspirational goals.

The Annual Aspirational Goals for the utilization of MBEs and WBEs on County Public Works contracts and subcontracts shall be twenty-four (24%) percent for MBEs and ten (10%) percent for WBEs.

Sec. 34-295. Project specific goals.

The CC Director, in consultation with the User Department, shall establish Project Specific Goals for construction Contracts based upon the availability of at least three MBEs and three WBEs to perform the anticipated subcontracting functions of the project and the County's utilization of MBEs and WBEs to date.

Sec. 34-296. Counting MBE and WBE participation.

(a) The entire amount of that portion of a contract that is performed by the MBEs or WBEs own forces shall be counted, including the cost of supplies and materials obtained by the MBE or WBE for the work on the contract, and supplies purchased or equipment leased by the MBE or WBE (except supplies and equipment the MBE or WBE purchases or leases from the prime Contractor or the prime Contractor's Affiliate).

(b) The entire amount of fees or commissions charged by a MBE or WBE for providing a bona fide service, such as professional, technical, consultant or managerial services, or for providing bonds or insurance specifically required for the performance of a contract, shall be counted, provided the fee is reasonable and not excessive as compared with fees customarily charged for similar services.

(c) When a MBE or WBE performs as a participant in a Joint Venture, only the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the Joint Venture's

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

contract that is performed by the MBE or WBE with its own forces and for which it is separately at risk, shall be counted.

(d) Only expenditures to a MBE or WBE that is performing a Commercially Useful Function shall be counted. To determine whether a MBE or WBE is performing a Commercially Useful Function, the County will evaluate the amount of work subcontracted, industry practices, whether the amount the MBE or WBE is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors. To perform a Commercially Useful Function, the MBE or WBE must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, installing (where applicable) and paying for the material itself. A MBE or WBE does not perform a Commercially Useful Function if its role is limited to that of an extra participant in the contract through which funds are passed in order to obtain the appearance of MBE or WBE participation. If a MBE or WBE subcontracts a greater portion of the work of a contract than would be expected based on normal industry practice, it is presumed not to perform a Commercially Useful Function. When a MBE or WBE is presumed not to be performing a Commercially Useful Function, the Certified Firm may present evidence to rebut this presumption.

(e) One hundred percent of the cost of the materials or supplies obtained from a MBE or WBE Manufacturer or Regular Dealer shall be counted. One hundred percent of the fees or transportation charges for the delivery of materials or supplies required on a job site shall be counted only if the payment of such fees is a customary industry practice and are commensurate with fees customarily charged for similar services.

(f) If a firm ceases to be a Certified Firm for any other reason than graduation from the M/WBE Construction Program during its performance on a contract, the dollar value of work performed under a contract with that firm after it has ceased to be certified shall not be counted.

(g) In determining achievement of Project Specific Goals, the participation of a MBE or WBE shall not be counted until that amount has been paid to the MBE or WBE.

Sec. 34-297. Contract pre-award compliance procedures.

(a) For all solicitations, the bidder/proposer shall submit a Utilization Plan detailing all subcontractors from which the Contractor solicited bids or quotations, and if Project Specific Goals have been established, its achievement of the Goals or its Good Faith Efforts to do so. The Utilization Plan shall be due at the time the bid / proposal is due.

(b) Any agreement between a Contractor and a MBE or WBE in which the Contractor requires that the MBE or WBE not provide subcontracting quotations to other Contractors is prohibited.

(c) Where the Contractor cannot achieve the Project Specific Goal(s), the CC Director will determine whether the Contractor has made Good Faith Efforts to meet the Goal(s). In making this determination, the Director will consider, at a minimum, the Contractor's efforts to:

(1) Solicit through all reasonable and available means (e.g., attendance at pre-bid meetings, advertising and written notices) the interest of all MBEs and WBEs certified in the scopes of work of the contract. The Contractor shall provide interested MBEs and WBEs with timely, adequate information about the plans, specifications, and requirements of the contract to allow MBEs and WBEs to respond to the solicitation. The Contractor must follow up initial solicitations with interested MBEs and WBEs.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

(2) Select portions of the work to be performed by MBEs and WBEs in order to increase the likelihood that the Project Specific Goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE and WBE participation, even when the Contractor would otherwise prefer to perform these work items with its own forces. It is the Contractor's responsibility to make a portion of the work available to MBEs and WBEs and to select those portions of the work or material needs consistent with the availability MBEs and WBEs to facilitate their participation.

(3) Negotiate in good faith with interested MBEs and WBEs. Evidence of such negotiation includes the names, addresses, and telephone numbers of MBEs and WBEs that were contacted; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and why agreements could not be reached with MBEs and WBEs. The Contractor may not reject MBEs and WBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. That there may be some additional costs involved in finding and using MBEs and WBEs is not in itself sufficient reason for a Contractor's failure to meet the Project Specific Goals, as long as such costs are reasonable. The ability or desire of a Contractor to perform the work of a contract with its own organization does not relieve it of the responsibility to make Good Faith Efforts on all scopes of work that could be subcontracted.

(4) Make efforts to assist interested MBEs and WBEs in obtaining bonding, lines of credit, or insurance as required by the County or the prime Contractor, where appropriate.

(5) Make efforts to assist interested MBEs and WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, where appropriate.

(6) Use the services of the Office of Contract Compliance, available minority/women community organizations, minority/women contractors' groups, government sponsored minority/women business assistance offices and other appropriate organizations to provide assistance in the recruitment and placement of MBEs and WBEs.

(ed) In determining whether a Contractor has made Good Faith Efforts, the performance of other Contractors in meeting the Project Specific Goals may be considered. For example, when the apparent successful Contractor fails to meet the Project Specific Goals but others meet it, it may be reasonably questioned whether, with additional reasonable efforts, the apparent successful Contractor could have met the Project Specific Goals. Similarly, if the apparent successful Contractor fails to meet the Project Specific Goals, but meets or exceeds the average MBE or WBE participation obtained by other Contractors, this may be evidence that the apparent successful Contractor made Good Faith Efforts.

(fe) A signed letter of intent from each listed MBE or WBE, describing the work, materials, equipment or services to be performed or provided by the MBE or WBE and the agreed upon dollar value shall be due at the time of bid proposal or within three days after such submission.

(ef) The CC Director shall timely review the Utilization Plan before award, including the scope of work and the letters of intent from MBEs and WBEs. The CC Director may request clarification in writing of items listed in the Utilization Plan, provided such clarification shall not include the opportunity to augment listed participation or Good Faith Efforts.

(eg) If the CC Director determines that the Utilization Plan demonstrates that the Project Specific Goals have been achieved or Good Faith Efforts made, with the concurrence of the User Department, the CC Director and User Department shall recommend award to Procurement Officer ~~Department~~.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

(#h) If the CC Director finds that a Contractor did not make sufficient Good Faith Efforts, the CC Director shall communicate this finding to the ~~User~~Purchasing Department and recommend that the bid/proposal be rejected. A Contractor may protest this determination pursuant to the County's bid protest procedures.

Sec. 34-298. Contract administration procedures.

(a) Upon award of a contract by the County that includes Project Specific Goals, the Project Specific Goals become covenants of performance by the Contractors and incorporated in the contract.

(b) The Contractor shall provide a listing of all subcontractors to be used in the performance of the contract, and detailed subcontractor information to the County with each request for payment submitted to the County or as otherwise directed by the County. The CC Director and the User Department shall monitor subcontractor participation during the course of the contract. The County shall have full and timely access to the Contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the Contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the Contractor's records by any officer or official of the County for any purpose.

(c) The Contractor cannot make changes to the Utilization Plan or substitute MBEs or WBEs named in the Utilization Plan without the prior written approval of the CC Director, Procurement Officer and the User Department. Unauthorized changes or substitutions shall be a violation of this subdivision and a breach of contract, and may constitute grounds for rejection of the bid or proposal or cause termination of the executed contract for breach, the withholding of payment and/or subject the Contractor to contract penalties or other sanctions.

(1) All requests for changes or substitutions of a MBE or WBE Subcontractor(s) named in the Utilization Plan shall be made to the CC Director, Procurement Officer and the User Department in writing, and shall clearly and fully set forth the basis for the request. A Contractor shall not substitute a MBE or WBE subcontractor or perform the work designated for a MBE or WBE subcontractor with its own forces unless and until the CC Director, Procurement Officer in consultation with the User Department, approves such substitution in writing. A Contractor shall not allow a substituted subcontractor to begin work until ~~both~~ the Director, Procurement Officer and the User Department have approved the substitution.

Section 5. Reimbursement. None of the proceeds of the Tax Exempt Bonds will be used to pay, directly or indirectly, in whole or in part, for an expenditure that has been paid by the County prior to the date hereof except architectural, engineering costs or construction costs incurred prior to commencement of the Series 2012 Project or expenditures for which an intent to reimburse was properly declared under Treasury Regulations Section 1.150-2. Any Bond may be signed and sealed on behalf of the County by such persons who at the time of the execution of such Bond shall hold the proper office in the County, although at the date of such Bond such persons may not have been so authorized or have held such office.

(B) The Bonds shall bear a certificate of authentication, in the form set forth in this Master Indenture or the Supplemental Indenture authorizing such Bonds, executed manually by the Trustee. Only such Bonds as shall bear such certificate of authentication shall be entitled to any right or benefit under this Master Indenture, and no such Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. (B) The County and each Fiduciary may deem and treat the Person in whose name any Bond shall be registered upon the registration books of the County as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such Owner or upon its order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor any Fiduciary shall be affected by any notice to the contrary.

Bonds subject to redemption prior to maturity shall be redeemable, upon notice given as provided in this Article IV, at such times, at such Redemption Prices and upon such terms, in addition to the terms contained in Article IV, as may be specified in the Supplemental Indenture authorizing such Series.

Section 402. Redemption at the Election or Direction of the County. In the case of any redemption of Bonds at the election or direction of the County, the County shall give written notice to the Trustee of its election or direction so to redeem, of the date fixed for redemption, of the Series, and of the

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

principal amounts of the Bonds of each maturity of such Series to be redeemed. Such notice shall be given at least thirty-five (35) days prior to the specified redemption date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 405 provided, there shall be paid on or prior to the specified redemption date to the Trustee an amount in cash or Government Obligations maturing on or before the specified redemption date which; together with other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem all of the Bonds to be redeemed on the specified redemption date at their Redemption Price plus interest accrued and unpaid to the date fixed for redemption; such amount and moneys shall be held in a separate, segregated account for the benefit of the Owners of the Bonds so called for redemption.

Section 403. Redemption Otherwise Than at County's Election or Direction. Whenever by the terms of this Master Indenture the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the County, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay the Redemption Price thereof, plus interest accrued and unpaid to the date fixed for redemption, in accordance with the terms of Articles IV and V to the extent applicable.

Section 404. Selection of Bonds to Be Redeemed. Unless otherwise provided by Supplemental Indenture, if less than all of the Bonds of like maturity of any Series shall be called for prior redemption, the particular Bonds or portion of Bonds to be redeemed shall be selected at random by the Trustee not more than 60 days prior to the date fixed for redemption in such manner as the Trustee in its discretion may deem fair and appropriate; *provided, however*, that the portion of any Bond of a denomination of more than the minimum Authorized Denomination for the Bonds of such Series to be redeemed shall be in the principal amount of an Authorized Denomination for the Bonds of such Series and that, in selecting portions of such Bonds for redemption, the Trustee shall treat each such Bond as representing that number of Bonds of said minimum Authorized Denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by said minimum Authorized Denomination. If all Bonds of any Series are held in book-entry only form, the particular Bonds or portions thereof of such Series to be redeemed shall be selected by the securities depository for such Series of Bonds in such manner as such securities depository shall determine.

Section 405. Notice of Redemption. When the Trustee shall receive notice from the County of its election or direction to redeem Bonds pursuant to Section 402, and when redemption of Bonds is authorized or required pursuant to Section 403, the Trustee shall give notice, in the name of the County, of the redemption of such Bonds, which notice shall specify the Series and maturities of the Bonds to be redeemed, the date fixed for redemption and the place or places where amounts due upon such date fixed for redemption will be payable and, if fewer than all of the Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable the Redemption Price of each Bond to be redeemed, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the date fixed for redemption, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail copies of such notice by first-class mail, postage prepaid, not less than 30 (thirty) days before the date fixed for redemption, to the Owners of the Bonds to be redeemed at their addresses as shown on the registration books of the County maintained by the Registrar. If the Trustee mails notices of redemption as herein provided, notice shall be conclusively presumed to have been given to all Owners.

With respect to an optional redemption of any Bonds, unless moneys sufficient to pay the Redemption Price of the Bonds to be redeemed shall have been received by the Trustee prior to the giving of such notice of redemption, such notice may, at the option of the County, state that said redemption shall be conditional upon the receipt of such moneys by the Trustee on or prior to the date fixed for

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

redemption. If such moneys are not received, such notice shall be of no force and effect, the County shall not redeem such Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

If the notice of redemption to be given in connection with an optional redemption of any Series of Bonds is not made expressly conditional as provided in the preceding paragraph, the Trustee will not give any such unconditional notice of redemption unless sufficient funds to pay the full Redemption Price of such Series of Bonds to be redeemed are on deposit with the Trustee at the time such notice is given.

Section 406. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 405, the Bonds or portions thereof so called for redemption shall become due and payable on the date fixed for redemption at the Redemption Price, plus interest accrued and unpaid to such date, and, upon presentation and surrender thereof at any place specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to such date. If there shall be called for redemption less than all of a Bond, the County shall execute and the Trustee shall authenticate and the appropriate Fiduciary shall deliver, upon the surrender of such Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, fully registered Bonds of like Series and maturity in any Authorized Denominations. If, on the date fixed for redemption, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to such date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the date fixed for redemption, interest on the Bonds or portions thereof of such Series and maturity so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the date fixed for redemption, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(B) Nothing in this Master Indenture or in the Bonds contained shall affect or impair the obligation of the County, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed the principal of and interest on the Bonds to the respective Owners thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Owner to enforce such payment of its Bond from the sources provided herein.

Section 806. Remedies Not Exclusive. No remedy by the terms of this Master Indenture conferred upon or reserved to the Trustee or the Owners is intended to be exclusive of any other remedy, but each remedy shall be cumulative and shall be in addition to every other remedy given under this Master Indenture or existing at law or in equity or by statute on or after the date of the execution and delivery of this Master Indenture.

Section 807. Effect of Waiver and Other Circumstances.

(A) No delay or omission of the Trustee or any Owner to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such default or be an acquiescence therein.

(B) The Owners of at least a majority in principal amount of the Bonds at the time Outstanding, or their attorneys-in-fact duly authorized may on behalf of the Owners of all of the Bonds waive any past default under this Master Indenture and its consequences, except a default in the payment of interest on or principal or Redemption Price of any of the Bonds. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 808. Notices of Default. The Trustee shall promptly mail written notice of the occurrence of any Event of Default to the Owners of the Bonds and to the Bond Insurer.

Section 809. Rights of Credit Bank or Bond Insurer

(A) Notwithstanding anything contained in this Master Indenture to the contrary, but subject to the provisions of any applicable Supplemental Indenture, any Credit Bank or any Bond Insurer shall be treated as the Owner of Bonds upon which such Credit Bank or Bond Insurer is obligated pursuant to a Credit Facility or Bond Insurance Policy, as applicable, for the purposes of calculating whether or not the Owners of the requisite percentage of Bonds then Outstanding have consented to any request, consent, directive, waiver or other action permitted to be taken by the Owners of the Bonds pursuant to this Article.

(B) All rights of any Credit Bank or Bond Insurer hereunder (other than rights held as a registered owner of Bonds hereunder) shall cease and terminate if: (i) such Credit Bank or Bond Insurer has failed to make any payment under its Credit Facility or Bond Insurance Policy; (ii) such Credit Facility or Bond Insurance Policy shall cease to be valid and binding on such Credit Bank or Bond Insurer or shall be declared to be null and void, or the validity or enforceability of any provision thereof is being contested by such Credit Bank or Bond Insurer, or such Credit Bank or Bond Insurer is denying further liability or obligation under such Bond Insurance Policy; (iii) a petition has been filed and is pending against such Credit Bank or Bond Insurer under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or rehabilitation law of any jurisdiction, and has not been dismissed within 30 days after such filing; (iv) such Credit Bank or Bond Insurer has filed a

petition, which is still pending, in voluntary bankruptcy or is seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or rehabilitation law of any jurisdiction, or has consented to the filing of any petition against it under any such law; or (v) a receiver has been appointed for such Credit Bank or Bond Insurer under the banking or insurance laws of any jurisdiction.

(C) Notwithstanding anything contained in this Master Indenture to the contrary, but subject to the provisions of any applicable Supplemental Indenture, until the County has reimbursed a Credit Bank for amounts paid under a Credit Facility to pay the interest on or the principal of any Bonds on any Interest or Principal Payment Date or to the extent any Bond Insurer has exercised its rights as subrogee for the particular Bonds of which it has insured payment, (a) such Bonds shall be deemed to be Outstanding and such Credit Bank or Bond Insurer shall succeed to the rights and interests of the Owners to the extent of the amounts paid under the Credit Facility or as specified in respect of the applicable Bond Insurance Policy until such amount has been reimbursed and (b) upon presentation to the Registrar, such Bonds shall be registered in the name of the Credit Bank or its nominee or such Bond Insurer or its nominee, as appropriate.

ARTICLE IX CONCERNING THE FIDUCIARIES

Section 901. Trustee; Appointment and Acceptance of Duties. The Trustee hereby accepts and agrees to the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the County agrees and the respective Owners of the Bonds, by their purchase and acceptance thereof, agree. Except during the continuance of an Event of Default, the Trustee undertakes such duties and only such duties as are specifically set forth in this Master Indenture.

Section 902. Registrar; Appointment and Acceptance of Duties. _____ is hereby appointed Registrar for the Bonds. The Trustee or any Paying Agent may be appointed a Registrar. The Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Master Indenture by executing and delivering to the County and to the Trustee a written acceptance thereof.

Section 903. Responsibilities of Fiduciaries

(A) The recitals of fact herein and in the Bonds contained shall be taken as the statements of the County and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Master Indenture or of any Bonds issued hereunder or as to the security afforded by this Master Indenture, and no Fiduciary shall incur any liability in respect thereof. The Trustee shall, however, be responsible for any representation contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the County or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (B) of this Section, no Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or misconduct.

(B) In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by this Master Indenture, and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Master Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Section 904. Evidence on Which Fiduciaries May Act.

(A) Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion (including Counsel's Opinion), bond or other paper or document furnished to it pursuant to and conforming to the requirements of this Master Indenture, and believed by it to be genuine and to have been signed or presented by the proper party or parties.

(B) Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Master Indenture, such matter (unless this Master Indenture specifically requires other evidence thereof) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(C) Except as otherwise expressly provided in this Master Indenture, any request, order, notice or other direction required or permitted to be furnished by the County to any Fiduciary shall be sufficiently executed if signed by an Authorized Officer.

Section 905. Compensation. Unless otherwise determined by contract between the County and each Fiduciary, the County shall pay to each Fiduciary from time to time reasonable compensation determined by the County for all services rendered under this Master Indenture.

Section 906. Certain Permitted Acts. Any Fiduciary may become the Owner of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Master Indenture, whether or not any such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

Section 907. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations imposed upon it by this Master Indenture by giving not less than 60 days' written notice to the County, all Owners of the Bonds, the Depositaries and the other Fiduciaries, and such resignation shall take effect upon the day specified in such notice but only if a successor shall have been appointed by the County or the Owners as provided in Section 910, in which event such resignation shall take effect immediately on the appointment of such successor whether or not the date specified for such resignation to take effect has arrived. If a successor Trustee shall not have been appointed within a period of 90 days following the giving of notice, then the Trustee shall be authorized to petition any court of competent jurisdiction to appoint a successor Trustee as provided in Section 910 hereof.

Section 908. Removal of Trustee. The Trustee may be removed at any time by an instrument in writing delivered to the Trustee and signed by the County; *provided however*, that if an Event of Default shall have occurred and be continuing, the Trustee may be so removed by the County only with the written concurrence of the Owners of a majority in principal amount of Bonds then Outstanding. The Trustee may be removed at any time by the Owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the County, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners or their attorneys-in-fact duly authorized, and delivered to the County. Copies of each such instrument shall be delivered by the County to each Fiduciary.

Section 909. Appointment of Successor Trustee.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

The County shall cause notice of any such appointment by it made to be mailed to all Owners of the Bonds.

(B) If no appointment of a Trustee shall be made by the County pursuant to the foregoing provisions of this Section 910, the Owner of any Bond Outstanding hereunder may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company or national banking association, doing business and having its principal corporate trust office in the State, and having capital stock and surplus aggregating at least \$20,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Master Indenture.

Section 910. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Master Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the County, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee; but the predecessor Trustee shall nevertheless, on the written request of the County or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurances and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all its right, title and interest in and to any property held by it under this Master Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument from the County be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, such deed, conveyance or instrument shall be executed, acknowledged and delivered by the County. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

Section 911. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which all or substantially all of the corporate trust business of any Fiduciary may be sold or transferred, shall be the successor to such Fiduciary and be bound to the obligations and duties of such Fiduciary hereunder without the execution or filing of any paper or the performance of any further act, unless such successor delivers written notice of its resignation pursuant to the provisions of this Article; *provided, however*, that such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Master Indenture.

Section 912. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Master Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in its own name.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

Section 913. Resignation or Removal of Paying Agent and Appointment of Successor.

(A) Any Paying Agent may at any time resign and be discharged of the duties and obligations imposed upon it by this Master Indenture by giving at least 60 days' written notice to the County and the other Fiduciaries. Any Paying Agent may be removed at any time by an instrument signed by an Authorized Officer and filed with such Paying Agent and the Trustee. Any successor Paying Agent shall be appointed by the County and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having capital stock and surplus aggregating at least \$20,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Master Indenture.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee and shall be subject to audit of all of its books, records and accounts with respect to the Bonds. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

Section 914. Resignation or Removal of Registrar and Appointment of Successor

(A) Any Registrar may at any time resign and be discharged of the duties and obligations imposed upon it by this Master Indenture by giving at least 60 days' written notice to the County and the other Fiduciaries. Any Registrar may be removed at any time by an instrument signed by an Authorized Officer and filed with such Registrar and the Trustee. Any successor Registrar shall be appointed by the County and shall be a bank, trust company or national banking association doing business and having an office in the State or in the Borough of Manhattan, in the County and State of New York, if there be such a bank, trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Master Indenture.

(B) In the event of the resignation or removal of any Registrar, such Registrar shall deliver all books, records and other property including the bond register of the County to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Registrar, the Trustee shall act as such Registrar.

Section 915. Trustee Not Deemed to Have Notice of Default. The Trustee shall not be deemed to have notice of any default hereunder except a default under Section 801(1), (2) or (4) hereof or the failure of the County to file with the Trustee any document required by this Master Indenture unless any officer in its corporate trust office shall have actual knowledge thereof or the Trustee shall be specifically notified in writing of such default by the County or by the Owners of not less than a majority in principal amount of the Bonds Outstanding; and all notices or other instruments required by this Master Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the corporate trust office of the Trustee.

Section 916. Quarterly Report by Trustee and Depositaries. Within seven days after the end of each calendar quarter, the Trustee, any Paying Agent and each Depositary shall prepare a written report for each Fund, Account and Sub-Account held by it pursuant to the provisions of this Master Indenture. Such report shall set out the receipts and disbursements, both principal and income, and shall list the Investment Securities held by the Trustee and each Depositary at the end of the quarter. A copy of each such report shall be furnished to the County and any persons designated by the County.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

In addition, the Trustee, any Paying Agent and each Depositary shall, at any time when requested, including, without limitation, any request at the time of the resignation of the Trustee, any Paying Agent or any Depositary, furnish to the County and any persons designated by the County a report of the amount of moneys, including Investment Securities, held in each Fund, Account or Sub-Account by the Trustee and each Depositary. For purposes of this certification, the Investment Securities in each such Fund, Account and Sub-Account shall be treated as having a value equal to their aggregate market value as of the date of the request.

Section 917. Notice to Bond Insurer. With respect to a Series of Bonds for which Bond Insurance is obtained, the County shall cause written notice of the resignation or removal of any Trustee, Paying Agent or Registrar and the appointment of any successor thereto to be given to the Bond Insurer of such Series of Bonds.

ARTICLE X SUPPLEMENTAL INDENTURES

Section 1001. Supplemental Indentures Not Requiring Consent of Owners. The County and the Trustee may without the consent of, or notice to, any of the Owners, enter into a Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

- (1) to authorize Additional Bonds and Refunding Bonds and to specify, determine or authorize any matters and things concerning any such Bonds which are not contrary to or inconsistent with this Master Indenture;
- (2) to close this Master Indenture against, or impose additional limitations or restrictions on, the issuance of Bonds, or of other notes, bonds, obligations or evidences of indebtedness;
- (3) to impose additional covenants or agreements to be observed by the County;
- (4) to impose other limitations or restrictions upon the County;
- (5) to surrender any right, power or privilege reserved to or conferred upon the County by this Master Indenture;
- (6) to confirm, as further assurance, any pledge of or lien upon the Pledged Sales Tax Revenues or any other moneys, securities or funds; *provided, however,* that no Supplemental Indenture authorized by this paragraph (6) shall become effective until each Rating Agency shall have delivered written confirmation to the Trustee that the execution and delivery of such Supplemental Indenture will not in and of itself cause a reduction or a withdrawal of its rating for any Bonds then in effect;
- (7) to amend the definition of Project for which Bonds may be issued;
- (8) to accommodate the use of Bond Insurance of a Credit Facility for specific Bonds or a specific Series of Bonds;
- (9) to authorize the issuance of Junior Lien Obligations and in connection therewith, specify and determine any matters and things relative thereto which are not contrary to or inconsistent with this Master Indenture as then in effect;

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

- (10) to cure any ambiguity, omission or defect in this Master Indenture;
- (11) to provide for the appointment of a successor securities depository in the event any Series of Bonds is held in book-entry only form;
- (12) to provide for the appointment of any successor Fiduciary;
- (13) to comply with the requirements of the Code as are necessary, in the Opinion of Bond Counsel, to prevent the federal income taxation of the interest on any of the Bonds; and
- (14) to make any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Owners.

Section 1002. Supplemental Indentures Effective upon Consent of Owners. Any Supplemental Indenture not effective in accordance with Section 1001 shall take effect only if permitted and approved and in the manner prescribed by Article XI.

Section 1003. Filing of Counsel's Opinion. Each Supplemental Indenture described in Section 1001 shall be accompanied, when filed with the Trustee, by a Counsel's Opinion to the effect that such Supplemental Indenture has been duly authorized by the County in accordance with the provisions of this Master Indenture, is authorized or permitted by this Master Indenture and, when executed and delivered, will be valid and binding upon the County, the Owners and the Trustee.

ARTICLE XI AMENDMENTS

Section 1101. Mailing. Any provision in this Article for the mailing of a notice or other information to Owners shall be fully complied with if it is mailed by first class mail, postage prepaid or delivered only to each Owner of Bonds then Outstanding at its address, if any, appearing upon the registration books of the County kept by the Registrar.

Section 1102. Powers of Amendment. Except for Supplemental Indentures described in Section 1001, any modification or amendment of this Master Indenture and of the rights and obligations of the County and of the Owners of the Bonds hereunder, in any particular, may be made by a Supplemental Indenture with the written consent given as provided in Section 1103 hereof (i) of the Owners of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given, and (ii) in case less than all of the several Series of Bonds then outstanding are affected by the modification or amendment, of the Owners of at least a majority in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds, or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Master Indenture if the same adversely affects or diminishes the rights of the Owners of Bonds of such Series. The Trustee may in its discretion determine whether or not the rights of

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

the Owners of Bonds of any particular Series or maturity would be adversely affected or diminished by any such modification or amendment, and its determination shall be binding and conclusive on the County and all Owners of the Bonds.

Consent of Owners. The County may at any time authorize the execution and delivery of a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 1102, to take effect when and as provided in this Section. Upon the authorization of such Supplemental Indenture, a copy thereof shall be delivered to and held by the Trustee for the inspection of the Owners. A copy of such Supplemental Indenture (or summary thereof or reference thereto in form approved by the Trustee) together with a request to Owners for their consent thereto in form satisfactory to the Trustee, shall be mailed to the Owners, but failure to mail such copy and request shall not affect the validity of such Supplemental Indenture when consented to as in this Section provided. Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when (a) there shall have been filed with the Trustee (i) the written consents of the Owners of the required principal amount of Outstanding Bonds, and (ii) a Counsel's Opinion stating that the execution and delivery of such Supplemental Indenture has been duly authorized by the County in accordance with the provisions of this Master Indenture, is authorized or permitted by this Master Indenture and, when effective, will be valid and binding upon the County, the Owners and the Trustee, and (b) a notice shall have been mailed as hereinafter in this Section provided. A certificate or certificates by the Trustee delivered to the County that consents have been given by the Owners of the Bonds described in such certificate or certificates of the Trustee shall be conclusive. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor whether or not such subsequent Owner has notice thereof; *provided, however*, that any consent may be revoked by any Owner of such Bonds by filing with the Trustee, prior to the time when the Trustee's written statement hereafter in this Section referred to is filed, a written revocation, with proof that such Bonds are held by the signer of such revocation. The fact that a consent has not been revoked may be proved by a certificate of the Trustee to the effect that no revocation thereof is on file with it. Any consent, or revocation thereof, may be delivered or filed prior to any mailing or publication required by this Article and shall not be deemed ineffective by reason of such prior delivery or filing. Within 30 days of any date on which the consents on file with the Trustee and not theretofore revoked shall be sufficient under this Section, the Trustee shall make and deliver to the County a written statement that the consents of the Owners of the required principal amount of Outstanding Bonds have been filed with the Trustee. Such written statement shall be conclusive that such consents have been so filed. Any time thereafter notice, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required principal amount of Outstanding Bonds and will be effective as provided in this Section, shall be given by mailing to the Owners (but failure to mail such notice or any defect therein shall not prevent such Supplemental Indenture from becoming effective and binding). The Trustee shall deliver to the County proof of the mailing of such notice. A record, consisting of the information required or permitted by this Section to be delivered by or to the Trustee, shall be proof of the matters therein stated.

Section 1103. Modifications by Unanimous Action. The Indenture and the rights and obligations of the County and of the Owners of the Bonds thereunder may be modified or amended in any respect by a Supplemental Indenture effecting such modification or amendment and with the consents of the Owners of all the Bonds then Outstanding, each such consent to be accompanied by proof of the holding at the date of such consent of the Bonds with respect to which such consent is given. Such Supplemental Indenture shall take effect upon the filing (a) with the Trustee of (i) a copy thereof, (ii) such consents and accompanying proofs and (iii) the Counsel's Opinion referred to in Section 1103 and (b) with the County of the Trustee's written statement that the consents of the Owners of all Outstanding Bonds have been filed with it. No mailing or publication of any Supplemental Indenture (or reference thereto or summary thereof) or of any request or notice shall be required. No such modification or

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

amendment, however, shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

Section 1104. Exclusion of Bonds. Bonds owned or held by or for the account of the County shall not be deemed Outstanding and shall be excluded for the purpose of any calculation required by this Article. At the time of any consent or other action taken under this Article, the County shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, identifying all Bonds so to be excluded.

Section 1105. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article X or this Article provided may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the County and the Trustee as to such action, and upon demand of the Owner of any Bond Outstanding at such effective date and presentation of its Bond to the Trustee, suitable notation shall be made on such Bond by the Trustee as to any such action. If the County or the Trustee shall so determine, new Bonds so modified which, in the opinion of the Trustee and the County, conform to such action may be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for such Bond then Outstanding.

ARTICLE XII MISCELLANEOUS

Section 1201. Defeasance.

(A) If the County shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, then the pledge of any Pledged Sales Tax Revenues and other moneys and securities pledged under this Master Indenture and all covenants, agreements and other obligations of the County to the Owners shall thereupon be discharged and satisfied. In such event, the Trustee, upon request of the County, shall provide an accounting of the assets managed by the Trustee to be prepared and filed with the County for any year or part thereof requested, and shall execute and deliver to the County all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the County all moneys and securities held by them pursuant to this Master Indenture which are not required for the payment of Bonds not previously surrendered for such payment or redemption. If the County shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all Outstanding Bonds of a particular Series, maturity within a Series or portion of any maturity within a Series (which portion shall be selected by lot by the Trustee in the manner provided in Section 404 hereof for the selection of Bonds to be redeemed in part), the principal or Redemption Price, if applicable, thereof and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the County to the Owners of such Bonds and to the Trustee shall thereupon be discharged and satisfied.

(B) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and held in trust by the Escrow Agent at or prior to their maturity or redemption date shall be deemed to have been paid within the meaning of and with the effect expressed in this Section 1201 if the County shall have delivered to or deposited with the Escrow Agent (a) irrevocable instructions to pay or redeem all of said Bonds in specified amounts no less than the respective amounts of, and on specified dates no later than the respective due dates of, their principal, (b) irrevocable instructions to publish or

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

mail the required notice of redemption of any Bonds so to be redeemed, (c) either moneys in an amount which shall be sufficient, or Defeasance Obligations the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to each specified redemption date or maturity date thereof, as the case may be, and (d) if any of said Bonds are not to be redeemed within the next succeeding 60 days, irrevocable instructions to mail to all Owners of said Bonds a notice that such deposit has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, of said Bonds. The Defeasance Obligations and moneys deposited with the Trustee pursuant to this Section shall be held in trust for the payment of the principal or Redemption Price, if applicable, and interest on said Bonds. No payments of principal of any such Defeasance Obligations or interest thereon shall be withdrawn or used for any purpose other than the payment of such principal or Redemption Price of, or interest on, said Bonds unless after such withdrawal the amount held by the Trustee and interest to accrue on Defeasance Obligations so held shall be sufficient to provide fully for the payment of the principal of or Redemption Price and interest on such Bonds, at maturity or upon redemption, as the case may be.

(C) Amounts deposited with the Trustee for the payment of the principal of and interest on any Bonds deemed to be paid pursuant to this Section 1201, if so directed by the County, shall be applied by the Trustee to the purchase of such Bonds in accordance with this subsection. Bonds for which a redemption date has been established may be purchased on or prior to the forty-fifth (45th) day preceding the redemption date. The principal amount of Bonds to be redeemed shall be reduced by the principal amount of Bonds so purchased. Bonds which mature on a single future date may be purchased at any time prior to the maturity date. All such purchases shall be made at prices not exceeding the applicable principal amount or Redemption Price established pursuant to paragraph (B) of this Section 1201, plus accrued interest, and such purchases shall be made in such manner as the Trustee shall determine. No purchase shall be made by the Trustee pursuant to this subsection if such purchase would result in the Trustee holding less than the moneys and Defeasance Obligations required to be held for the payment of all other Bonds deemed to be paid pursuant to this Section 1201.

(D) The County may purchase with any available funds any Bonds deemed to be paid pursuant to this Section 1201 in accordance with this subsection. Bonds for which a redemption date has been established may be purchased by the County on or prior to the forty-fifth (45th) day preceding the redemption date. On or prior to the forty-fifth (45th) day preceding the redemption date the County shall give notice to the Trustee of its intention to surrender such Bonds on the redemption date. PROPOSED RESOLUTION

COOK COUNTY CEMETERY

WHEREAS, recent events as well as investigations by the Cook County Sheriff have brought into serious question and unfortunate light, the manner by which the Cook County's indigent, unclaimed and unknown individuals have been buried; and

WHEREAS, disturbing practices have included persons stacked eight coffins high, bodies placed in coffins with unidentified limbs and skeletal remains from other bodies, medical waste and non-human debris, and coffins buried haphazardly in a manner making future location for personal or law enforcement purposes, difficult if not impossible; and

WHEREAS, such practices not only demonstrate an unacceptable lack of respect for the least fortunate among us and are unbecoming of a civilized society, but additionally impede ongoing criminal investigations in cases of unknown decedents, as the identifying characteristics of hundreds of unidentified remains buried by the County have failed to be

WHEREAS, the discovery of the above-mentioned practices led to the introduction and passage of an ordinance on May 4, 2011, setting new standards and safeguards for the manner in which burials of the indigent, unclaimed and unknown are handled in Cook County; and

WHEREAS, said ordinance clarified the role and responsibilities of the Office of the Medical Examiner in preparing the bodies for burial as well as the methods by which burials are to be conducted by cemeteries that have contracts with the county for such burials; and

WHEREAS, this Government is ultimately responsible for these individuals, and consequently it is in the best interest of the County and its residents for the County to once again operate a cemetery for the burial of our County's indigent, unclaimed and unknown persons; and

WHEREAS, for over a century, from 1854-1971, Cook County operated, maintained and administered its own cemetery, the most recent site having been located on the land adjacent to the Oak Forest Hospital, known as the Cook County Cemetery for the Indigent, where tens of thousands of individuals have previously been laid to rest; and

WHEREAS, the reestablishment of a permanent Cook County Cemetery would not only ensure that our indigent are put to rest in a respectful manner, but it would also facilitate proper documentation for law enforcement purposes, proper maintenance, as well as save the County millions of dollars; and

WHEREAS, with the use of approximately 5 acres of land contiguous to the location of the former Cook County Cemetery for the Indigent, the County could establish a cemetery capable of meeting the needs of the County for the next 100 years; and

WHEREAS, the aforesaid land is presently owned and maintained by the Forest Preserve District of Cook County; and

WHEREAS, since the Forest Preserve acquired said cemetery, no plan for addressing the former cemetery site has been forthcoming, and as such, ample opportunity still exists to determine a proper use of that parcel and the surrounding areas; and

WHEREAS, there exist several precedents for the co-existence of cemeteries on Forest Preserve property, including Bachelors Grove Cemetery, Sauerbier-Burkhardt Cemetery and the above-mentioned Cook County Cemetery for the Indigent; and

WHEREAS, the County Highway Department already owns the equipment necessary to operate and maintain such a cemetery; and

WHEREAS, the Cook County Sheriff has expressed a willingness and ability to provide sufficient labor necessary to operate and maintain such a cemetery; and

WHEREAS, based upon anticipated costs for the currently mandated indigent burial program, the reestablishment of a County cemetery can reasonably expect to save Cook

NOW, THEREFORE, BE IT RESOLVED, by the Cook County Board of Commissioners that the Office of the Medical Examiner, the Office of the Cook County Sheriff, the Cook County Bureau of Administration, the Cook County Real Estate Management Division, the Cook County Highway Department, the Forest Preserve District of Cook County and any other agency deemed necessary are hereby directed to cause a plan to be completed and presented to the Board of Commissioners for the reestablishment of a Cook County Cemetery at the aforementioned site for the purpose of indigent, unclaimed and unknown burials; and

BE IT FURTHER RESOLVED, that said plan shall include the creation of an intergovernmental agreement between the County of Cook and the Forest Preserve District of Cook County to locate said cemetery on the 5 acres to the immediate west of the old Cook County Cemetery for the Indigent; and

BE IT FURTHER RESOLVED, that said intergovernmental agreement shall stipulate that the reestablished Cook County Cemetery shall remain Forest Preserve property in order to ensure its permanency; and

BE IT FURTHER RESOLVED, that said plan shall provide the structure by which the affected agencies shall coordinate and delegate responsibilities in order to establish, operate and maintain such a cemetery; and

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

respectfully submitting this Resolution regarding Brighton Trading Inc.'s request for a Class 6b property tax incentive for special circumstances and substantial rehabilitation for an industrial building located at 4920 South Monitor, Chicago, Illinois in unincorporated Cook County. The applicant has leased the facility to Aqua Ocean for the warehousing and distribution of frozen fish.

Brighton Trading, Inc. requests approval of the tax incentive based on the special circumstances that the property has been vacant for more than 24 months; and there has been no purchase for value under the Class 6b Ordinance. This Resolution is required so that the company can complete its application to the Assessor of Cook County.

Submitting a Proposed Resolution sponsored by Toni Preckwinkle, President and John P. Daley, County Commissioner.

PROPOSED RESOLUTION

WHEREAS, the Cook County Board of Commissioners has adopted a Real Property Assessment Classification 6b incentive that provides an applicant a reduction in the assessment level for an industrial facility; and

WHEREAS, the County Board of Commissioners has received and reviewed an application from Brighton Trading Inc. located in an unincorporated area of Cook County for an abandoned industrial facility located at 4902 South Monitor, Chicago, Cook County, Illinois, County Board District #11, Property Index Number: 19-08-202-032-0000; and

WHEREAS, Cook County has defined abandoned property as buildings and other structures that, after having been vacant and unused for at least 24 months, are purchased for value by a purchaser in whom the seller has no direct financial interest; and

WHEREAS, industrial real estate is normally assessed at 25% of its market value. Qualifying industrial real estate eligible for the Class 6b can receive a significant reduction in the level of assessment from the date that new construction or rehabilitation has been completed, or in the case of abandoned property from the date of substantial re-occupancy. Properties receiving Class 6b will be assessed at 10% of the market value for 10 years, 15% for the 11th year and 20% in the 12th year; and

WHEREAS, in the instance where the property does not meet the definition of abandoned property, the municipality or the Board of Commissioners, may determine that special circumstances justify finding that the property is abandoned for the purpose of Class 6b; and

WHEREAS, the real estate is located in an unincorporated area of Cook County, the Cook County Board must by lawful Resolution or Ordinance, expressly state that it supports and consents to the filling of a Class 6b Application and that it finds Class 6b necessary for development to occur on the subject property; and

WHEREAS, in the case of abandonment of over 24 months and no purchase for value by a disinterested buyer, the County may determine that special circumstances justify finding the property is deemed abandoned; and

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

WHEREAS, the Cook County Board of Commissioners has determined that the building was abandoned for 41 months at the time of application, with no purchase for value and that special circumstances are present; and

WHEREAS, the applicant estimates that the re-occupancy will create 3 new full-time jobs and 4 part-time jobs; and

WHEREAS, the County of Cook finds that the Class 6b tax incentive is necessary for development to occur on this specific real estate. The County of Cook further cites that the subject property has been vacant and unused for more than 24 months and there will be no purchase for value; and

WHEREAS, the applicant acknowledges that it must provide an affidavit to the Assessor's Office stipulating that it is in compliance with the County's Living Wage Ordinance prior to receiving the Class 6b incentive on the subject property.

NOW, THEREFORE, BE IT RESOLVED, by the President and Board of Commissioners of the County of Cook, State of Illinois, that the President and Board of Commissioners validate the property located at 4902 South Monitor, Chicago, Cook County, Illinois, is deemed abandoned with special circumstances under the Class 6b; and

Sec. 30-549. Transporting.

No product which may emit asbestos-fiber during its transportation shall be transported unless such product be enclosed so as to preclude the emission of asbestos fiber into ambient air.

Sec. 30-550. Violation.

Notwithstanding compliance with Section 30-549 the visible emission of particulate matter in the course of such transportation shall be considered a violation.

Sec. 30-551. Asbestos abatement contractor registration, registration fees and penalties.

BE IT FURTHER ORDAINED, by the Cook County Board of Commissioners, that Chapter 30-213 Violations and Penalty of the Cook County Code is hereby amended as follows:

Sec. 30-213. Violations and Penalty.

- (a) After any person has been previously notified of three or more violations of this chapter within any consecutive 12-month period in respect to the emission of smoke, particulate, or other matter by the same piece of equipment in excess of the emission limitations herein provided or in respect to violations of other requirements provided in this chapter, such person shall be notified in writing to show cause before the Director on a day certain, not less than 20 days from date of service of such notice, why the equipment or process causing such violations should not be sealed. The Director may refer the violation notice to the Cook County Department of Administrative Hearings for a hearing to be conducted by an administrative law officer or an administrative law judge following all rules and procedures set forth in Chapter 2, Article IX of the Cook County Code. This last notice herein provided for may be given by mail, directed to the last known address of the person to be notified, or if such person or the

whereabouts of such person is unknown, then by posting a notice on or near the premises at which the violations shall have occurred. Upon the date specified in the notice such person may appear at such hearing in person or by representative, with or without counsel. If such person fails to appear at such hearing or if upon such hearing the administrative law officer or administrative law judge shall find and determine that the violations are due to defective equipment or equipment which is incapable of being operated within the maximum emission limitations established by or under this chapter, or that corrective measures previously ordered by the Director have not been employed to eliminate the causes producing the violations, the administrative law officer or administrative law judge may enter an order revoking any certificate or permit outstanding for such equipment or process and directing that the same be sealed by an inspector or other authorized agent of the Director. In making the finding and determination hereinabove referred to, the administrative law officer or administrative law judge shall, in the case of smoke density or opacity measurements, take into consideration whether the equipment is capable of being operated within the particulate matter limitations provided in Division 3 of this article.

(b) Upon notice and hearing, if notice and hearing has not previously been provided, the Director may order that the use of any fuel-burning, combustion, or process equipment or device shall be discontinued and may seal such equipment or process:

(1) When a certificate of operation is refused in the case of any original, annual, or subsequent inspection, because the person required to procure such certificate has not complied with the provisions of this chapter;

(2) In the case of movable equipment, or portable boilers, or vehicles, when immediate correction of a condition causing a violation of this chapter is not made by the operator of such equipment, portable boiler, or vehicle when ordered to do so by the Director or authorized representative.

(a) *Persons liable.*

(1) Unless otherwise specifically provided, the owner, the owner's agent for the purpose of managing, controlling, or collecting rents, and any other person managing or controlling a building or premises, in any part of which there is a violation of the provisions of this chapter, shall be liable for any violation therein, existing or occurring, or which may have existed or occurred, at or during any time when such person is or was the person owning or managing, controlling, or acting as agent in regard to the buildings or premises. Wherever used in the provisions of this chapter, the term "owner" shall include any person entitled under any agreement to the control or direction of the management or

disposition of the building or premises or of any part of the building or premises where the violation in question occurs.

Unless otherwise specifically provided, where the violation of the provisions of this chapter involves a motor vehicle, the owner or the owner's agent for the purpose of managing or controlling the vehicle, and any other person managing or controlling the vehicle shall be liable for any violation therein, existing or occurring, or which may have existed or occurred, at or during any time when such person is or was the person owning or managing or controlling, or acting as agent in regard to the vehicle. Wherever used in the provisions of this chapter, the term "owner" shall include any person entitled under any agreement to the control or direction of the management or disposition of the vehicle.

- (2) The liabilities hereunder imposed on an owner shall attach to a trustee under a land trust, holding title to such building, structure, or premises without the right of possession, management, or control, unless the trustee in a proceeding under the provisions of this chapter discloses in a verified pleading or in an affidavit filed with the court or the Department of Administrative Hearings, the name and last known address of each person who was a beneficiary of the trust at the time of the alleged violation and of each person, if any, who was then acting as agent for the purpose of managing, controlling, or collecting rents, as the same may appear on the records of the trust.

(b) *Penalty clause.* Any person, firm, or corporation or agents, employees or contractors of such who violate, disobey, omit, neglect or refuse to comply with or who resist enforcement of any of the provisions of this chapter shall be subject to fines of not less than any of the values detailed in the following table but not more than \$10,000.00. Violations of the ordinance not listed in the following table are subject to fines not less than \$300.00 and not more than \$10,000.00. Collected fines will go to the Cook County Environmental Management Fund. A separate and distinct offense shall be regarded as committed each day on which such person continues or permits any such violation, or failure to comply exists after notification thereof. In addition to such fines and penalties, the permit or certification of operation of such person, or of the offending property, may be suspended or revoked as hereinbefore provided.

because the drawer does not have sufficient funds in his account, or because the drawer does not have sufficient credit with the drawee, shall be liable in the amount of \$25.00 and shall be liable for interest upon the amount at the rate of nine percent annually.

The Director shall refer a violation citation seeking a fine to the Cook County Department of Administrative Hearings for a hearing to be conducted by an administrative law officer or an administrative law judge following all rules and procedures set forth in Chapter 2, Article IX, of the Cook County Code. In determining the amount of the fine the following factors shall be taken into consideration:

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

- (1) Personnel shall be designated to exercise full-time supervisory authority over all aspects of the activity from which the release of asbestos fiber into the environment could result, in such a manner as to insure compliance with the pertinent asbestos control regulations.
- (2) Each employee engaged in such activity shall complete a course of instruction on the potential hazards of exposure to asbestos fiber, including the precautions that must be observed to prevent or restrict the dispersion of asbestos fiber into the environment.
- (3) Facilities shall be provided and procedures instituted and supervised that prevent the removal from the site of visible amounts of asbestos-containing material on the clothing of the employees.
- (4) Asbestos-containing wastes shall be immediately vacuumed or otherwise collected where vacuuming is impossible and shall be placed in a container resistant to tearing or breaking under normal handling conditions, which shall be tightly sealed and clearly marked as containing asbestos-waste. Such waste material or container shall be disposed of by burial at a sanitary landfill.

 - (d) *Asbestos-containing material applied in construction, alteration or repair of structure or structural component.* Asbestos-containing material applied in the construction, alteration or repair of a structure or structural component shall be coated with a sealant, provided with a cover or installed in some other manner so as to preclude emission of the asbestos-containing material to the circulating air. Any plenum or other structure coated with or containing asbestos-containing insulation and used in the circulation of air in a building shall be thoroughly cleaned of all debris and waste insulation.
 - (e) Asbestos-containing debris shall not be dropped or thrown from any floor but shall be transported by dust-tight chutes or buckets, debris shall be adequately wetted to preclude dust dispersion at the point of discharge.

Sec. 30-213. Violations and Penalty.

(a) After any person has been previously notified of three or more violations of this chapter within any consecutive 12-month period in respect to the emission of smoke, particulate, or other matter by the same piece of equipment in excess of the emission limitations herein provided or in respect to violations of other requirements provided in this chapter, such person shall be notified in writing to show cause before the Director on a day certain, not less than 20 days from date of service of such notice, why the equipment or process causing such violations should not be sealed. The Director may refer the violation notice to the Cook County Department of Administrative Hearings for a hearing to be conducted by an administrative law officer or an administrative law judge following all rules and procedures set forth in Chapter 2, Article IX of the Cook County Code. This last notice herein provided for may be given by mail, directed to the last known address of the person to be notified, or if such person or the whereabouts of such person is unknown, then by posting a notice on or near the premises at which the violations shall have occurred. Upon the date specified in the notice such person may appear at such hearing in person or by representative, with or without counsel. If such person fails to appear at such hearing or if upon such hearing the administrative law officer or administrative law judge shall find and determine that the violations are due to defective equipment or equipment which is incapable of being operated within the maximum emission limitations established by or under this chapter, or that corrective measures previously ordered by the Director have not been employed to eliminate the causes producing the violations, the administrative law officer or administrative law judge may enter an order revoking any certificate or permit outstanding for such equipment or process and directing that the same be sealed by an inspector or other authorized agent of the Director. In making the finding and determination hereinabove referred to, the administrative law officer or administrative law judge shall, in the case of smoke density or opacity measurements, take into consideration whether the equipment is capable of being operated within the particulate matter limitations provided in Division 3 of this article.

(b) Upon notice and hearing, if notice and hearing has not previously been provided, the Director may order that the use of any fuel-burning, combustion, or process equipment or device shall be discontinued and may seal such equipment or process:

- (1) When a certificate of operation is refused in the case of any original, annual, or subsequent inspection, because the person required to procure such certificate has not complied with the provisions of this chapter;
- (2) In the case of movable equipment, or portable boilers, or vehicles, when immediate correction of a condition causing a violation of this chapter is not made by the operator of such equipment, portable boiler, or vehicle when ordered to do so by the Director or authorized representative.
 - (a) *Persons liable.*
 - (1) Unless otherwise specifically provided, the owner, the owner's agent for the purpose of managing, controlling, or collecting rents, and any other person managing or controlling a building or premises, in any part of which there is a violation of the provisions of this

Wherever used in the provisions of this chapter, the term "owner" shall include any person entitled under any agreement to the control or direction of the management or disposition of the building or premises or of any part of the building or premises where the violation in question occurs.

Unless otherwise specifically provided, where the violation of the provisions of this chapter involves a motor vehicle, the owner or the owner's agent for the purpose of managing or controlling the vehicle, and any other person managing or controlling the vehicle shall be liable for any violation therein, existing or occurring, or which may have existed or occurred, at or during any time when such person is or was the person owning or managing or controlling, or acting as agent in regard to the vehicle. Wherever used in the provisions of this chapter, the term "owner" shall include any person entitled under any agreement to the control or direction of the management or disposition of the vehicle.

- (2) The liabilities hereunder imposed on an owner shall attach to a trustee under a land trust, holding title to such building, structure, or premises without the right of possession, management, or control, unless the trustee in a proceeding under the provisions of this chapter discloses in a verified pleading or in an affidavit filed with the court or the Department of Administrative Hearings, the name and last known address of each person who was a beneficiary of the trust at the time of the alleged violation and of each person, if any, who was then acting as agent for the purpose of managing, controlling, or collecting rents, as the same may appear on the records of the trust.

Violations of the ordinance not listed in the following table are subject to fines not less than \$300.00 and not more than \$10,000.00. Collected fines will go to the Cook County Environmental Management Fund. A separate and distinct offense shall be regarded as committed each day on which such person continues or permits any such violation, or failure to comply exists after notification thereof. In addition to such fines and penalties, the permit or certification of operation of such person, or of the offending property, may be suspended or revoked as hereinbefore provided.

Any person, firm, or corporation that issues a check or other draft to the Department or the Department of Revenue that is not honored upon presentment because the drawer does not have an account with the drawee, or because the drawer does not have sufficient funds in his account, or because the drawer does not have sufficient credit with the drawee, shall be liable in the amount of \$25.00 and shall be liable for interest upon the amount at the rate of nine percent annually.

The Director shall refer a violation citation seeking a fine to the Cook County Department of Administrative Hearings for a hearing to be conducted by an administrative law officer or an administrative law judge following all rules and procedures set forth in Chapter 2, Article IX, of the Cook County Code. In determining the amount of the fine the following factors shall be taken into consideration:

318999 COOK COUNTY DEMOLITION DEBRIS DIVERSION ORDINANCE (PROPOSED ORDINANCE). Transmitting a Communication, dated June 14, 2012 from Deborah Stone, Director, Department of Environmental Control:

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

respectfully submitting for your approval the Cook County Demolition Debris Diversion Ordinance.

Submitting a Proposed Ordinance sponsored by Toni Preckwinkle, President, Cook County Board of Commissioners.

PROPOSED ORDINANCE

COOK COUNTY DEMOLITION DEBRIS DIVERSION ORDINANCE

BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 30 Environment, Article X Demolition Debris Diversion, Sections 30-961 through 30-972 of the Cook County Code are hereby enacted as follows:

Sec. 30-961. Short title.

Section 30-961 through Section 30-972 shall be known, and may be cited, as the Cook County Demolition Debris Diversion Ordinance

Sec. 30-962. Purpose and intent.

The purpose of this Ordinance is to establish a program for recycling and salvaging of construction and demolition waste consistent with the Cook County Solid Waste Plan. This Ordinance is intended to introduce reuse and recycling requirements that will help achieve Cook County's goal to:

- (1) Reduce the amount of construction and demolition waste generated at the source;
- (2) Regulate the salvage and transport of salvageable construction and demolition material and to prevent the improper disposal of construction and demolition debris within the County of Cook; and,
- (3) Recover materials for the purpose of recycling and reuse that would otherwise be discarded and return them to the economy.

Sec. 30-963. Findings.

- (a) The County finds and determines that:
 - (1) The County is committed to protecting the public health, safety, welfare and environment and in order to meet these commitments it is necessary that the County promote the reduction of solid waste and reduce the stream of solid waste going to landfills.
 - (2) The debris generated in construction and demolition projects accounts for a significant portion of the materials disposed of in landfills and a large percentage of such debris is comprised of materials particularly suitable for recycling.
 - (3) The reuse and recycling of certain portions of construction and

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

demolition debris is essential to further the County's efforts to reduce solid waste.

- (4) Except in unusual circumstances, it is feasible to divert an average of at least seventy percent (70%) of all construction and demolition debris from construction and demolition projects.

COOK COUNTY DEMOLITION DEBRIS DIVERSION ORDINANCE

BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 30 Environment, Article X Demolition Debris Diversion, Sec. 30-961 through 30-972 of the Cook County Code are hereby enacted as follows:

Sections 30-961 through 30-972 shall be known, and may be cited, as the Cook County Demolition Debris Diversion Ordinance

Sec. 30-962. Purpose and intent.

The purpose of this Ordinance is to establish a program for recycling and salvaging of construction and demolition waste consistent with the Cook County Solid Waste Plan. This ordinance is intended to introduce reuse and recycling requirements that will help achieve Cook County's goal to:

- (1) Reduce the amount of construction and demolition waste generated at the source;
- (2) Regulate the salvage and transport of salvageable construction and demolition material and to prevent the improper disposal of construction and demolition debris within the County of Cook; and,
- (3) Recover materials for the purpose of recycling and reuse that would otherwise be discarded and return them to the economy.

Sec. 30-963. Findings.

- (a) The County finds and determines that:
 - (1) The County is committed to protecting the public health, safety, welfare and environment and in order to meet these commitments it is necessary that the County promote the reduction of solid waste and reduce the stream of solid waste going to landfills.
 - (2) The debris generated in construction and demolition projects accounts for a significant portion of the materials disposed of in landfills and a large percentage of such debris is comprised of materials particularly suitable for recycling.
 - (3) The reuse and recycling of certain portions of construction and demolition debris is essential to further the County's efforts to reduce solid waste.

JOURNAL OF PROCEEDINGS FOR JULY 24, 2012

- (4) Except in unusual circumstances, it is feasible to divert an average of at least seventy percent (70%) of all construction and demolition debris from construction and demolition projects.
